THE ROCKS

The Rocks is a historic gem in New Hampshire's North Country offering a scenic Christmas tree farm, Olmsted-designed formal gardens, a stone amphitheater overlooking the White Mountains, a restored 1884 Carriage Barn heated by green energy, a three-bedroom bridal cottage, and panoramic mountain views across the 1,400-acre property. Owned by the Society for the Protection of New Hampshire Forests, The Rocks is part of our nonprofit organization's mission to perpetuate the forests of New Hampshire.

ABOUT THE ROCKS WEDDING PACKAGES

ONE WEDDING PER WEEKEND

Your party will have access to The Rocks Friday through Sunday.

BRIDAL COTTAGE INCLUDED

Keep it simple and enjoy a two-night stay in our historic three-bedroom Gardener's Cottage.

INDOOR AND OUTDOOR EVENT SPACES

Choose from several indoor and outdoor options for your wedding events. Four indoor bathrooms (two accessible) are available to all weddings.

Many weddings take advantage of our outdoor event space, with ceremony options including a stone amphitheater, two grassy scenic outlooks, and a tiered formal garden designed by the Olmsted Company, all with sweeping mountain views. At the top of the amphitheater is a large flat lawn with electric and water hookups perfect for a tent, and with the same views. Just across Christmas Lane is the historic three-bedroom, two-bath Gardener's Cottage, sleeping up to 8 and included in our wedding package as bridal accommodations.

Of course there is also our newly restored Carriage Barn, both for indoor weddings and other events. The large event room can accommodate up to 120 seated or 197 standing, and the reception gallery can accommodate up to about 100 seated and 174 standing. There are five indoor restrooms, two designed for accessibility.

Regardless of whether you choose an indoor or outdoor event (or a combination), we host only one wedding per weekend, so full weekend weddings have access to the grounds from Friday through Sunday.
